

INTERN DURING YOUR BARCELONA PROGRAM

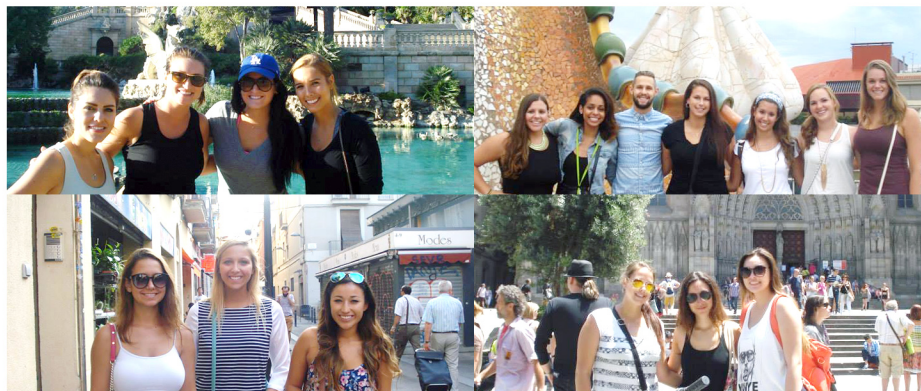

Students looking to position themselves in the global workforce need to build intercultural communication skills and awareness and there is no better way than to participate in the internship program offered during your Barcelona semester. Opportunities are available across all majors. Students participate in a Career Development Program and are matched individually to a part time internship that takes place during the semester or summer.

TOP CAREER FIELDS

- Business
- Communications
- Film / Theater
- Event Planning
- Fine Arts
- Graphic Design
- Hospitality
- Publishing
- Public Relations
- Social Media
- Social Service
- Tourism
- A range of other Liberal Arts related placement areas

PUT AN INTERNATIONAL FOCUS ON YOUR FUTURE CAREER.... INTERN ABROAD IN BARCELONA

SUNY Oswego offers a unique opportunity to Barcelona program participants to add a part-time internship during the semester. This opportunity will aid you along your career path by exposing you to international industry trends while providing work experiences. Being able to speak to your Strengths and showcasing your real work-place examples will position you as a more suitable candidate for your future career.
